

**2011 MID-VALLEY SWIM LEAGUE
RESIDENCE AND ELIGIBILITY CERTIFICATION**

Swimmer's Name: _____

(Separate form must be completed for each swimmer in family)

RESIDENCE REQUIREMENT:

MVSL Bylaw Article III, Section I states in part: "The territory of each member swim club shall be comprised of each community's school district and those adjacent (common boundary) school districts without established teams that are members of a summer swim league."

We live in the _____ School District.

- ❖ If the district listed is not the home district of this swim team, team officials are responsible for verifying that the school district listed is an adjacent school district.
- ❖ There is a variance procedure in the Bylaws of this section to deal with unusual circumstances and it is the team's responsibility to obtain variances prior to allowing swimmers to compete.
- ❖ Variance deadline is June 25, 2011 (year round swimmers).

ELIGIBILITY:

MVSL Bylaw Article XI states that: "Any swimmer who has been a **member of, practiced with, or competed with** an organized swim team, other than the MVSL, **swimming competitively unattached** must wait ninety (90) days before practicing and actively participating in a MVSL team. **Swimmers found in violation of the 90-day ruling will be suspended for the season**, reserving the right to appeal."

This means that in order to begin practicing on the first day, your child may not have practiced or competed after **March 1, 2011**

Please initial one of the following selections:

1. _____ My child has not participated with any other swim team in the last year.
2. _____ My child swam with _____ Swim Team. The last day of practice with that team was _____, and the date of the last meet competed in was _____.
